

**NOTICE OF CLOSURE
AND ANNOUNCING A SPECIAL GENERAL MEETING (SGM)**

The Committee and Management of the DWSA are deeply saddened to announce that following meetings this week with the developer, Dubai International Properties, we will have to cease all operations.

Due to the project timelines informed to us by DIP we will aim to cease all normal operations at the club on Friday 17th February 2006.

After that date we will be working to completely vacate the site after liquidating or removing and storing assets by mid March.

Boat Owners who store their boats on the site are requested to remove their boat by Friday 24th February 2006. Likewise anyone having a locker or storing any equipment at the site will need to remove it by this date.

DWSA can not be held responsible for equipment stored by members after that date.

Special General Meeting

In accordance with the Constitution DWSA will hold a Special General Meeting for Members on Friday 3rd February 2006 at the club at 3.30pm.

Auction

We propose to hold an auction at the site on Friday 3rd March.

By that date we will have assessed what equipment is considered surplus to DWSA which will be offered for sale through the Auction.

Farewell BASH

The DWSA will hold a Party on the grounds on Thurs 16th February 2006

Lets have one really great last night to say Goodbye to an era!

Everyone is welcome

GEOFF HAWKSFORD
Chairman of the Committee
